

Certificate of factory production control

No 1499/2009

Inspecta Latvia has granted this certificate as proof that

Glued solid wood profiles for manufacturing of windows and doors

produced by the manufacturer

"LATEKSS" LTD.

Ganibu dambis 40c, Riga, LV-1005, Latvia; Reg. No. 40103004246

Address of manufacturer: "Latekss" Ltd., Ganibu dambis 40c, Riga, LV-1005

Certified according:

Certification scheme 2+, based on initial inspection and evaluation of factory and factory production control, followed by surveillance of factory production control.

Product complies with the requirements of:

Technical Specification of "LATEKSS" Ltd. "Glued timber beams, panels and profiles" (timber density, moisture content, cross-section dimensions, quality of edge-joints and finger-joints, failure type of glued joints) declared properties from 28.05.2008.

The certificate remains valid as showed above on the proviso that conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

The Certificate is issued on: 06.08.2009.
